Official Invitation for VEJRØ ESCAPE 2026 22nd – 24th May 2026

Vejrø is a beautiful island in Smålandsfarvanden and an excellent destination with a modern and superb marina. The regatta follows the popular format for single and double handed sailing with simple rules. The smaller boats have a shorter route than the larger ones. Both courses offers open sea sailing and inshore racing. May sailing offers excellent night sailing where the dark period is very short, and we can expect a magnificent sunset and sunrise. We are welcomed by Vejrø Resort and a well-earned after sail program takes place.

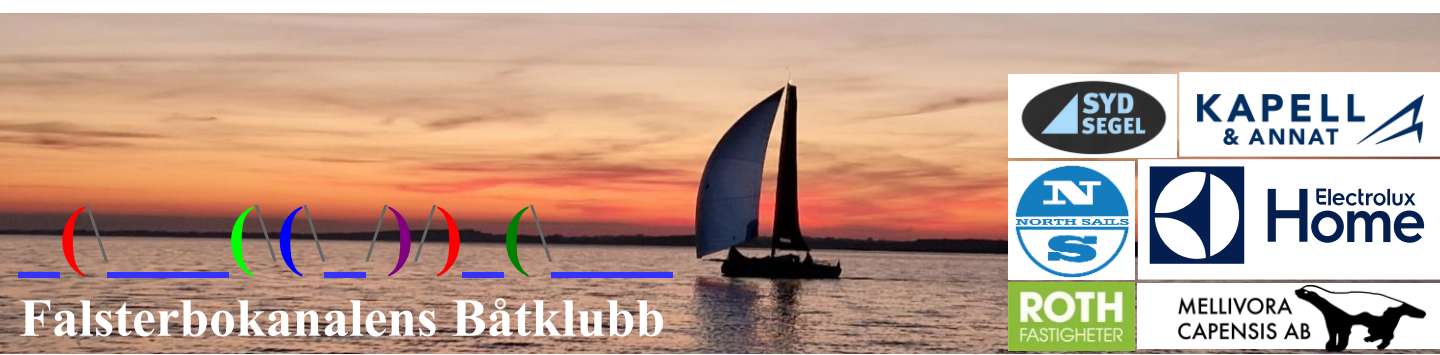

ORGANIZERS

The Vejrø Escape regatta is organized by Falsterbokanalens Båtklubb in partnership with Vejrø Resort.

THE RACE....

The regatta will start just north of Falsterbokanalen and finish at Vejrø. In the race the smaller boats will sail through Bögestrømmen and the larger will round Mön before entering Smålandsfarvanden. When finishing in Vejrø you have sailed a race of approximately 75 – 90 M.

The exact route will be described in the Race Instructions.
